Seniors

Unique

This year's seniors gave a new meaning to the word "spirit." Although the enthusiasm was sometimes lacking, this class banded together in times of trouble. If one thing could be said of this class it would be that the class of 1986 had a truly unique way of displaying class pride.

The seniors show their class spirit.

Sophomores

Striving for #1

This year's sophomore class was full of spirit and energy. This was displayed in all they did. Their float, "BAR-BQ THE BULLDOGS", won second place in the Homecoming Parade and their spirit was always high.

When asked how they felt about their class, the most often heard remark was, "We're bad." But class president David George summed it up best when he said, "We feel our class will represent Hilldale well in the future years."

Greased Pole Contest

A Slippery Tradition

Each year the greased pole contest is won by the class with the most discreet, innovative, and precise methods of cheating. In keeping with this tradition the senior class dominated the competition, and cruised to an easy victory.

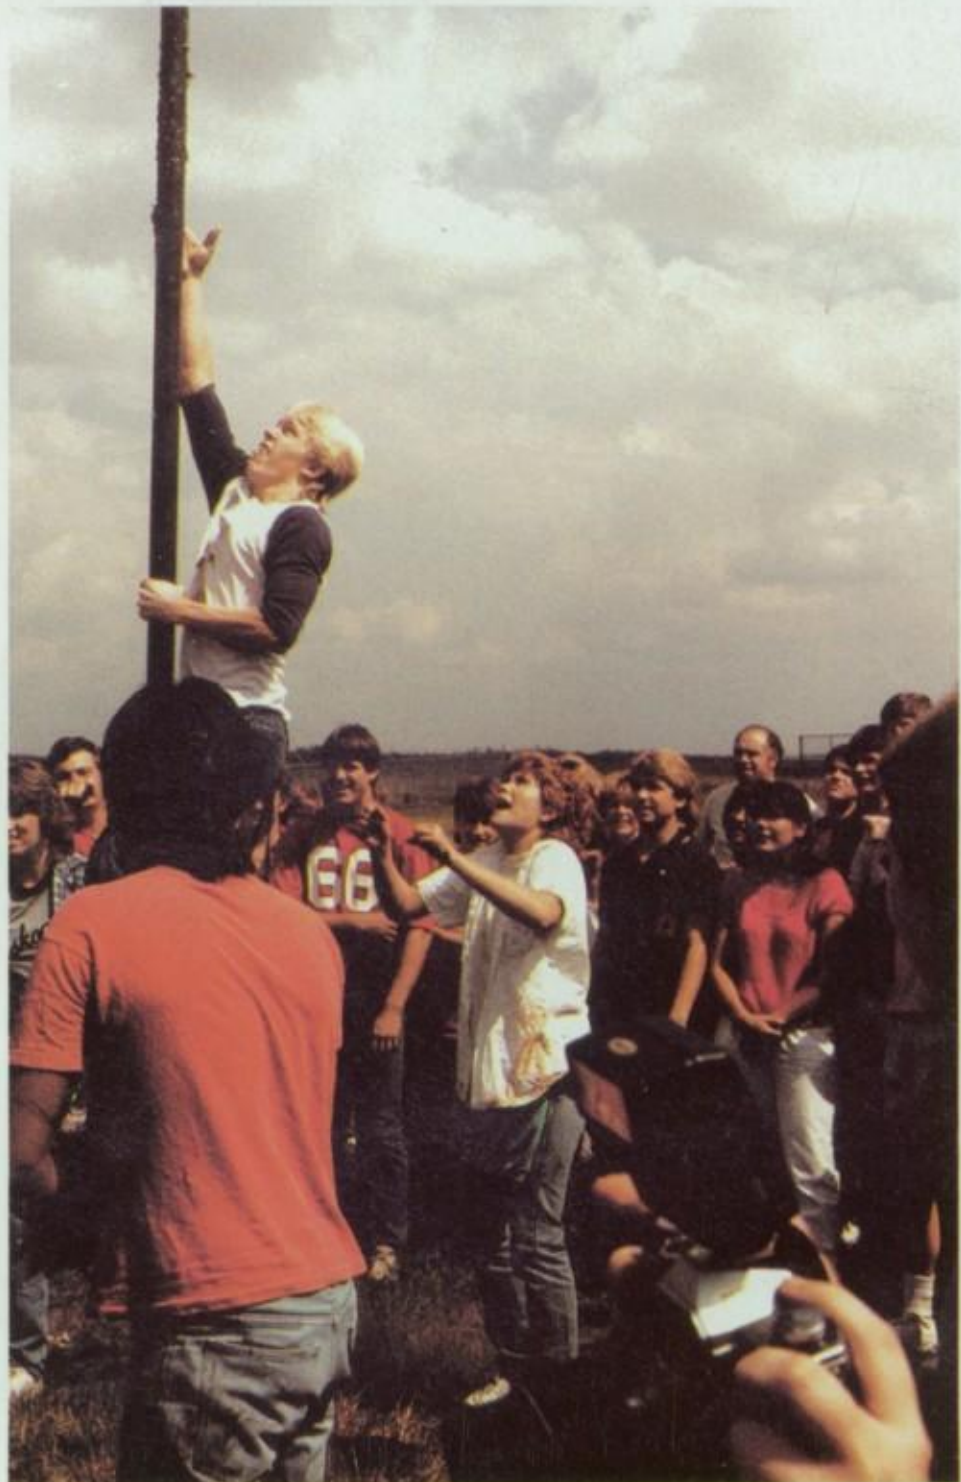

Upper Left: Charla Church and the freshmen had to grin and bear their last place finish. Above: Terry Thompson (senior greased pole captain) savors the victory. Right: Seniors apply extra grease to the opposing team's pole. Far Right: Matt Henderson - head and shoulders above the competition.

Left: Greased pole competitors try to grasp the flag by pulling the pole deeper into the earth. Lower Left: Melanie Fielder and Regina schooner model their new line of cut rate designer fashions (available in all outlet stores). Below; Terry Thompson conquers the pole as his coach (Melanie Fielder), crowd, and media watch anxiously.

Football Homecoming

Coronation

This year the Homecoming coronation was held in the bright September 20 sun. With beaming happiness, the court strode out into the football field in front of the crowded stands. The court, Shawna Hollingshed (escorted by Brett Elrod), Cindy Capps (escorted by Randy Entz), and Cindy Lorschach (escorted by Mark Capps), dressed in traditional red. Their escorts were dressed in black and grey. And finally, making a stunning pair in white, was Queen Angela Burnes and her escort, Terry Bryson.

Brett and Shawna patiently watch the festivities.

OK, Terry and Angie, what's so funny?

The four escorts strut their stuff.

The ladies nervously make their way onto the field.

Randy and Cindy find the whole thing very amusing.

The court shows their pride as they pose for pictures.

Homecoming Assembly

Screaming, cheering, and clapping were the dominant sounds heard during the Football Homecoming Assembly. The assembly started with the class competition and ended with the fight song. Everyone united together to make the football assembly a true success. The spirit and feeling of oneness were great.

Right: Kathy anxiously awaits to lead the Fight Song. Lower Right: Cammie, Sara, and Sheri amazed by the homecoming assembly. Below: Chris and Christie evaluate the homecoming coronation. Bottom: Michelle and Tracy watch the greased pole competition.

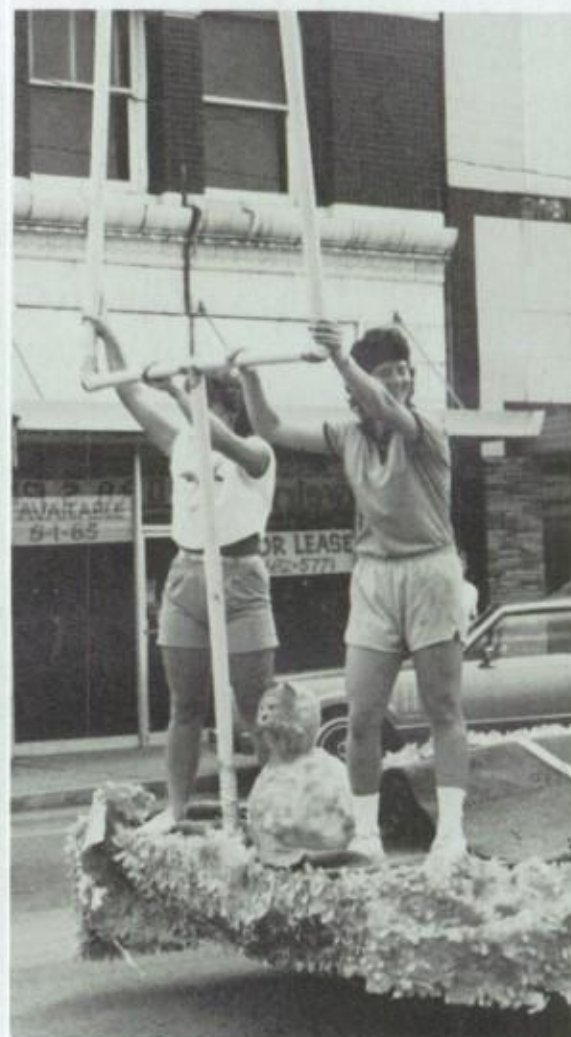

Left: Sophomores exemplify their spirit. Middle Left: Keely lands in a perfect dismount after a full sukhara with a half twist! Below: Juniors display their enthusiasm. Lower Left: The excitement of the day was too much for the band. Lower Right: Michelle and Kathy in UNISON!

The Parade

The Parade is always one of the highlights of the year. People work all week to build the best floats possible. It is one of the few times when all the students can come together as one and work to a single goal. This year the Freshman class took first with their theme of "Bale the Dawgs." The other themes were "Bar-BQ the Bulldogs," "Flush the Bulldogs," and "Blast the Bulldogs." The spirit and the pride was more than enough to make up for any disappointments on not winning.

▲Juniors display spirit as usual.

Mark and Cindy enjoy their moment in the parade.

▲Freshmen own the road.

▲The dance team marches on.

▲Robbie, Pat, & Rita watch the parade.

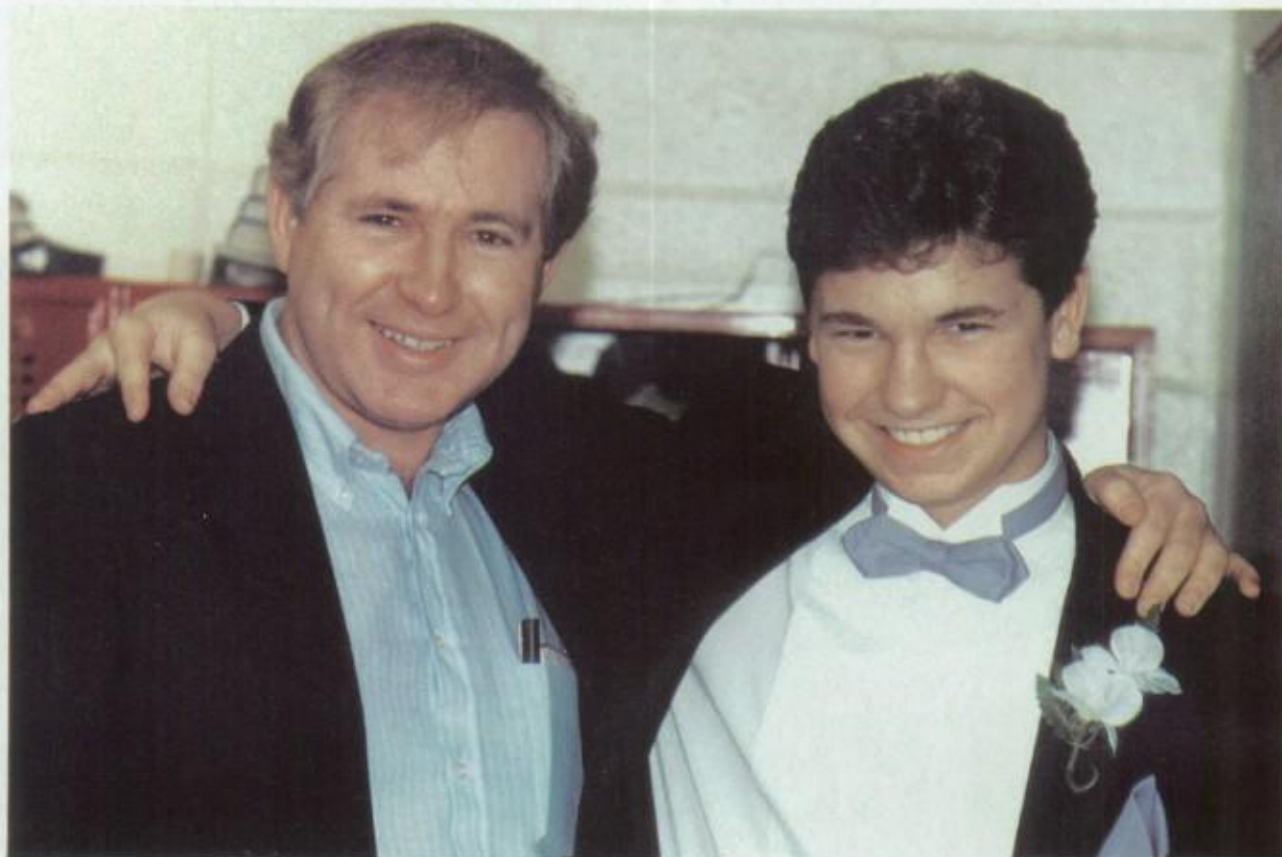

▲Cristi & Keeley.

Randy & Cindy are all smiles.▶

Homecoming Getting Ready

Part of the fun of homecoming is "Getting Ready." The queen and her court wait in anticipation as the time draws near for the coronation. Making sure everything looks perfect is part of the fun. Going over the last minute plans - where to stand, how to walk, and how to smile are essential. Then the final moment arrives, getting ready is over and the coronation has begun.

Above right: Pop and Pat pose for a pic.

Donnell breaks to pose.

Catherine meditates again

Mike and his "GQ" look.

Basketball Assembly

The Basketball assembly motivated the crowd as well as the team. The colorful wagons really added to the assembly. But as always the high point of the assembly was the crowning. The coronation this year was beautiful. Queen Robynn Wood was escorted by Patrick Wilson, senior attendant was Angel Martin, escorted by Brent Coleman. Tara Smart, Junior Attendant, was escorted by Jim Westhoff, and Sophomore Attendant Rhonda Howard was escorted by Robbie Frazier.

Homecoming

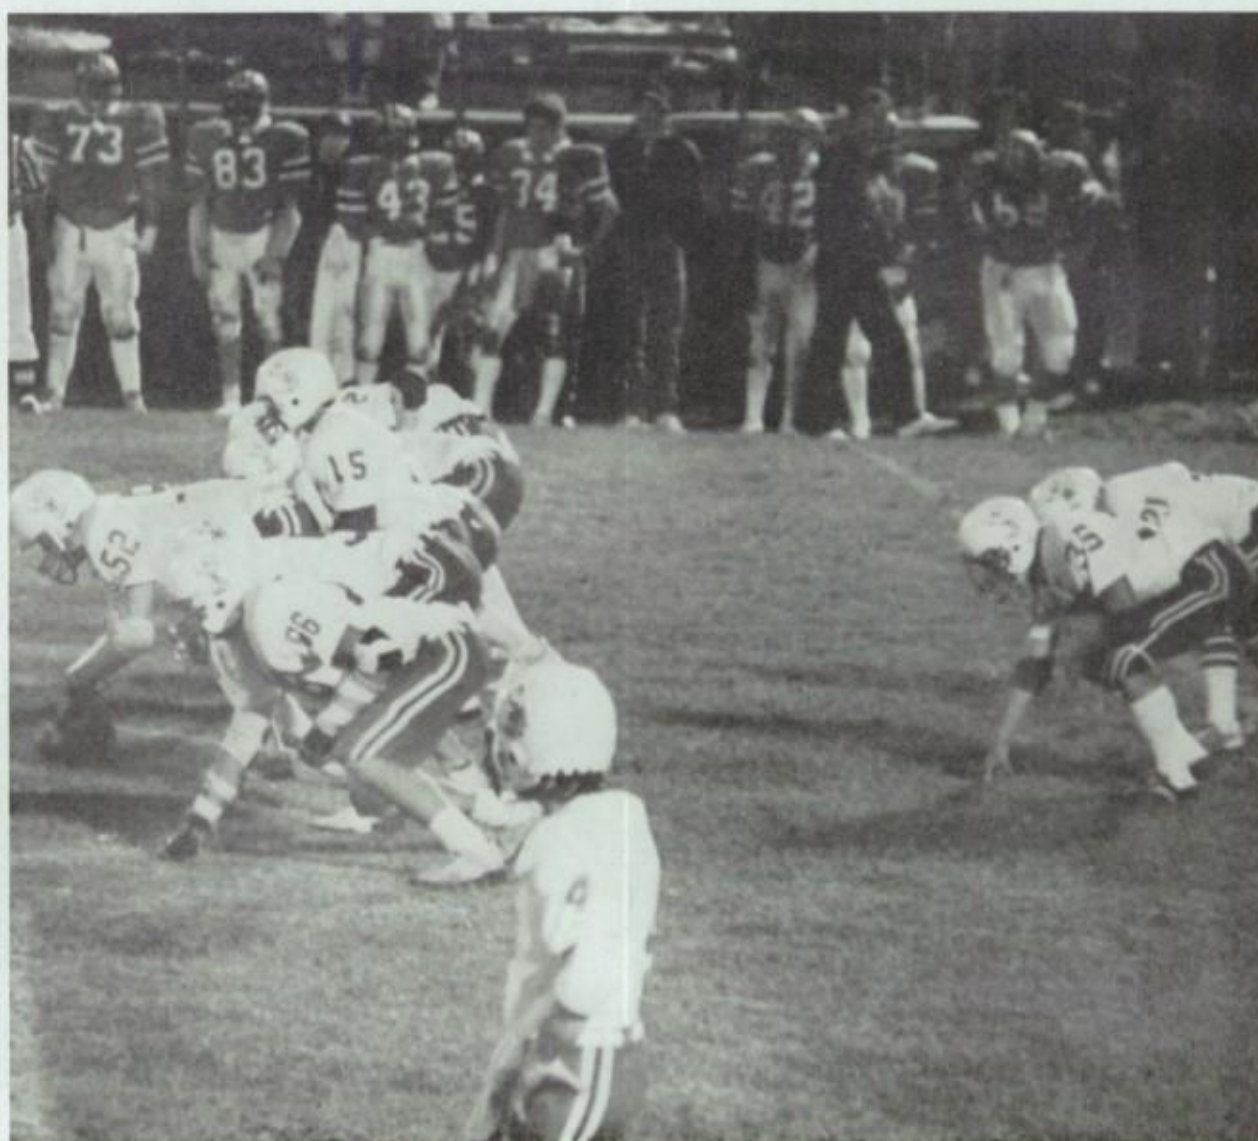

Our Finest Year

Hilldale Makes the Polls

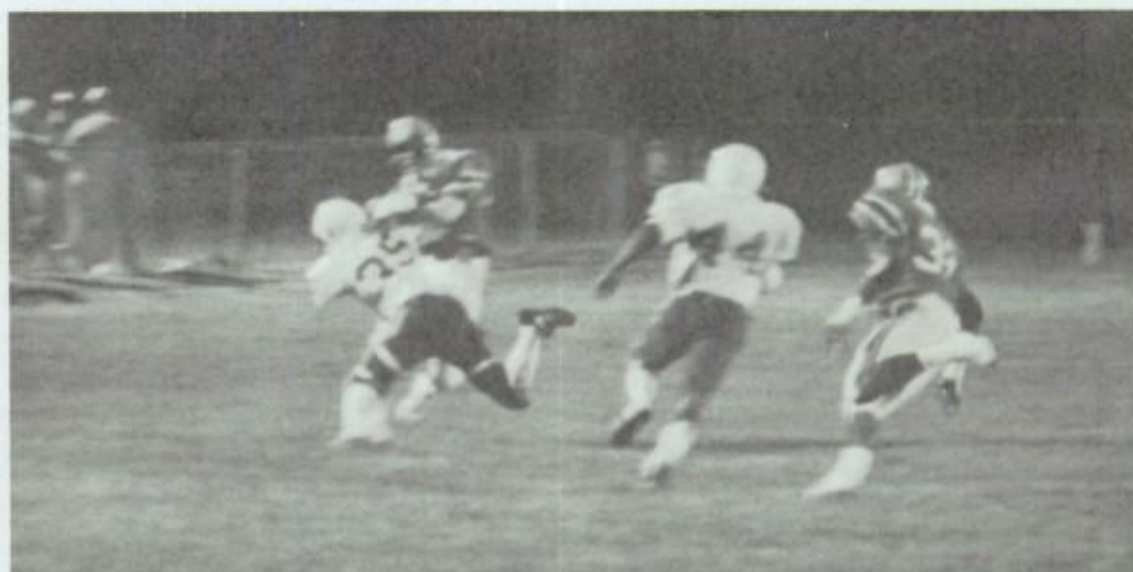

The Hilldale High School football team had its finest year in 1986. On the way to a 9-3 record, the football team achieved the rank of the fourth best team in the state in Class 2A by the U.P.I. They won the championship of District 2A-14, considered by many to be the toughest district in the state. They also beat Morris, Class 2A champion.

Left: Hilldale's defense prepares to annihilate Morris.
 Middle: Morris' quarterback has to hurry his throw before he is sacked.
 Bottom: The score shows who is best.

Snow Days A Warming Experience

A sudden snowstorm in the middle of December caught the school by surprise. Muskogee and the surrounding area received up to 4 inches of snow. While some students were hoping that school would be dismissed, the good news never arrived. Even so, many students failed to show up for their classes. The lucky ones who did, however, were rewarded with a once in a life time experience. During lunch members of the student body went outside for some fun in the snow.

Winner's Day Out

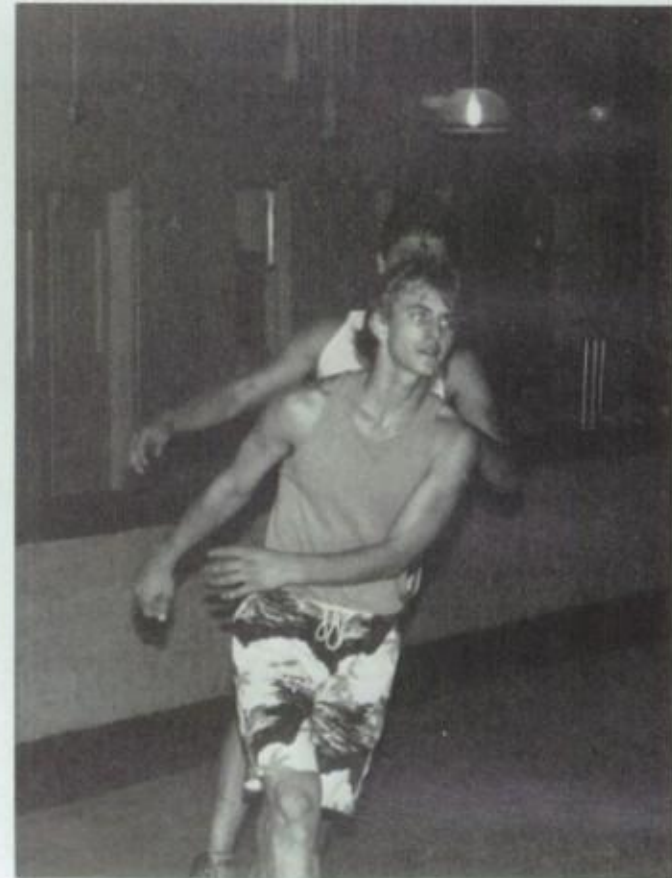

Brandy, Kevin, and Robby enjoying the food.

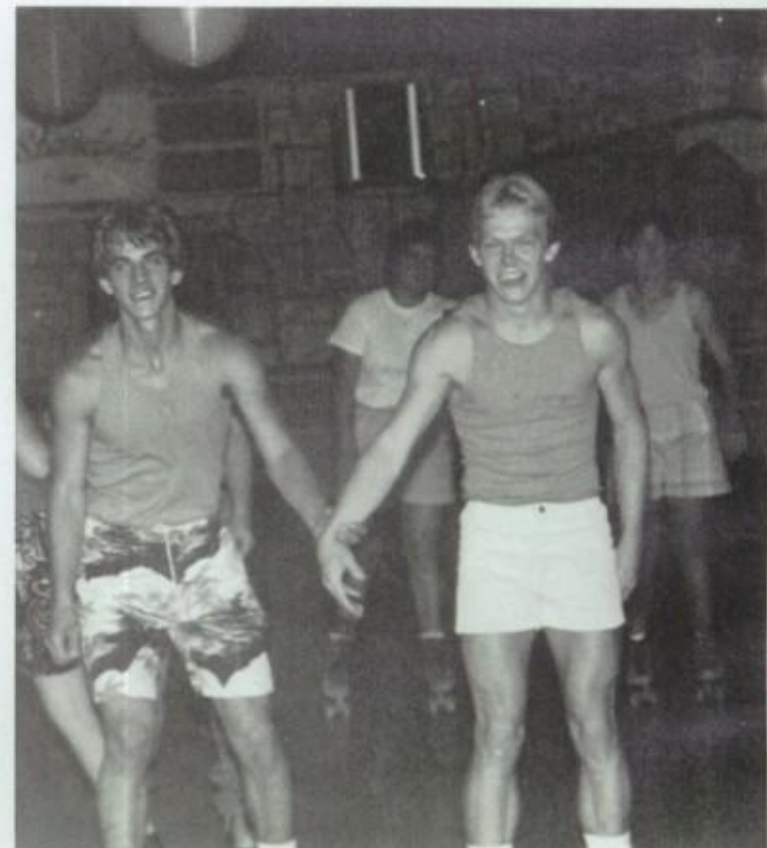

Regina feeding the ducks.

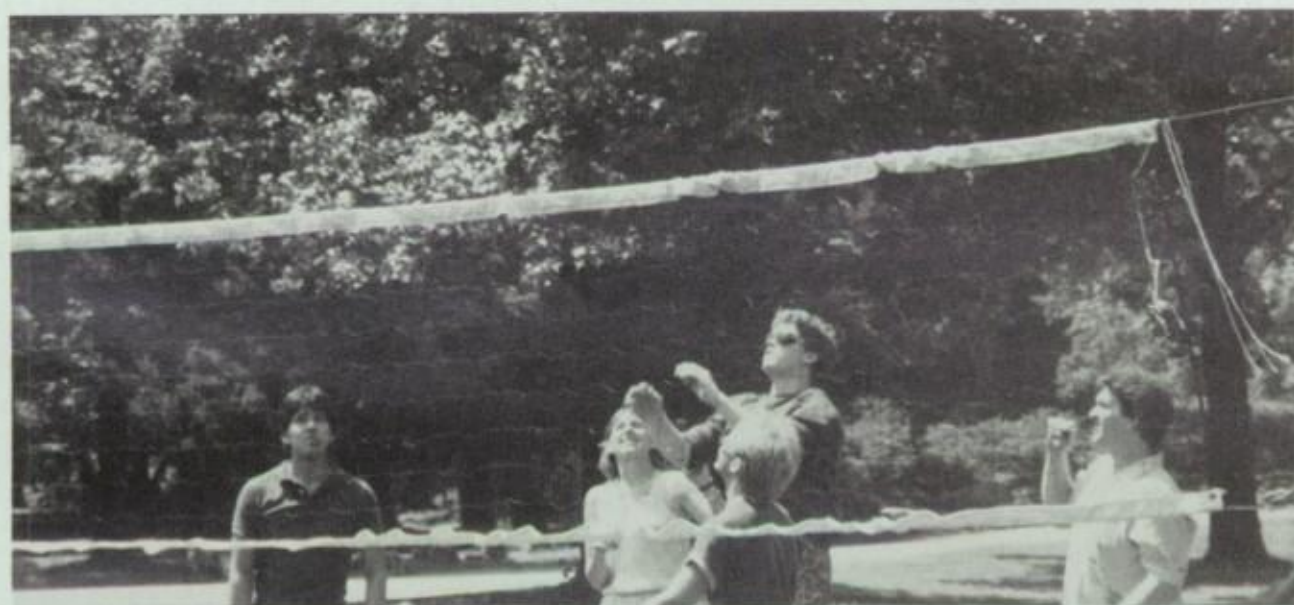

The Seniors were the winners of this year's winners day out. The winner is determined by the class who compiles the most points throughout the year. They got points from the jack-o-lantern contest, the spirit chain, and many other things. The Seniors and Sophomores tied but the Seniors finally won because they had the most A's and B's. The winners went to the Stardust Skate arena and then to the park. They thought they were going to have a terrible time, but in the end they all had a great time!

Working Students

Many students worked several long, hard hours. Whether they worked for car payments or for extra spending money, it taught them responsibility and discipline. Many enjoyed just the satisfaction of meeting people. Then others liked to work only with their friends. We are very proud of our working students.

People

Caught in the Act

Around Hilldale you can always find someone doing something funny or stupid or just interesting. Luckily, these types of people abound, making for some great shots.

Brett Elrod, dressed for F.H.A. initiation, is all smiles.

Matt Henderson is looking for a little house on the prairie.

Tonia Hawpe and Rhonda Shouse show their school pride.

Spirit

Too Much Fun

The student council sponsored many activities, and many of the activities were actually fun. From working on homecoming floats to dressing up on dress up days there were many activities to provide fond memories in the future. The surprise activity of the year was Randy Howard Day. Randy was transformed from a mild mannered student to a shining star in one days time.

Top right: The man, the myth, the legend Randy Howard, with bodyguard Mark Shultz. Upper right: Three proud Randy Howard fans sport their idols many facial expressions. Above: All of the Randy Howard look-alike contestants lift up their hero. Right: Hilldale students suffer from a bout of hawaiianism.

Top left: Scott Gaddy watches, and learns from his close friend "Denver" how to hula. Top: Terry Bryson, Mrs. Wooten, and Bill Farr try to decide which cola tastes better, Craigmont or Always Save. Above: Scott Byrd, David George, and Patrick Wilson were the only people to dress up for GQ Day and their reward was a picture in the yearbook. Prom

Our Junior-Senior prom was held on May 10, 1986. Despite the rain, everyone looked nice. Everyone will remember this night in some way or another. A couple of girls got shrimp sauce poured on their dresses while a couple of guys didn't have enough money at the restaurant. But everyone still managed to have a great time.

The decorating committee did a fine job this year. Our prom was held at the Country Club instead of the Elks Lodge for the first time in Hilldale's history.

Special thanks to the Corrados. Without them, the prom would not have been such a success.

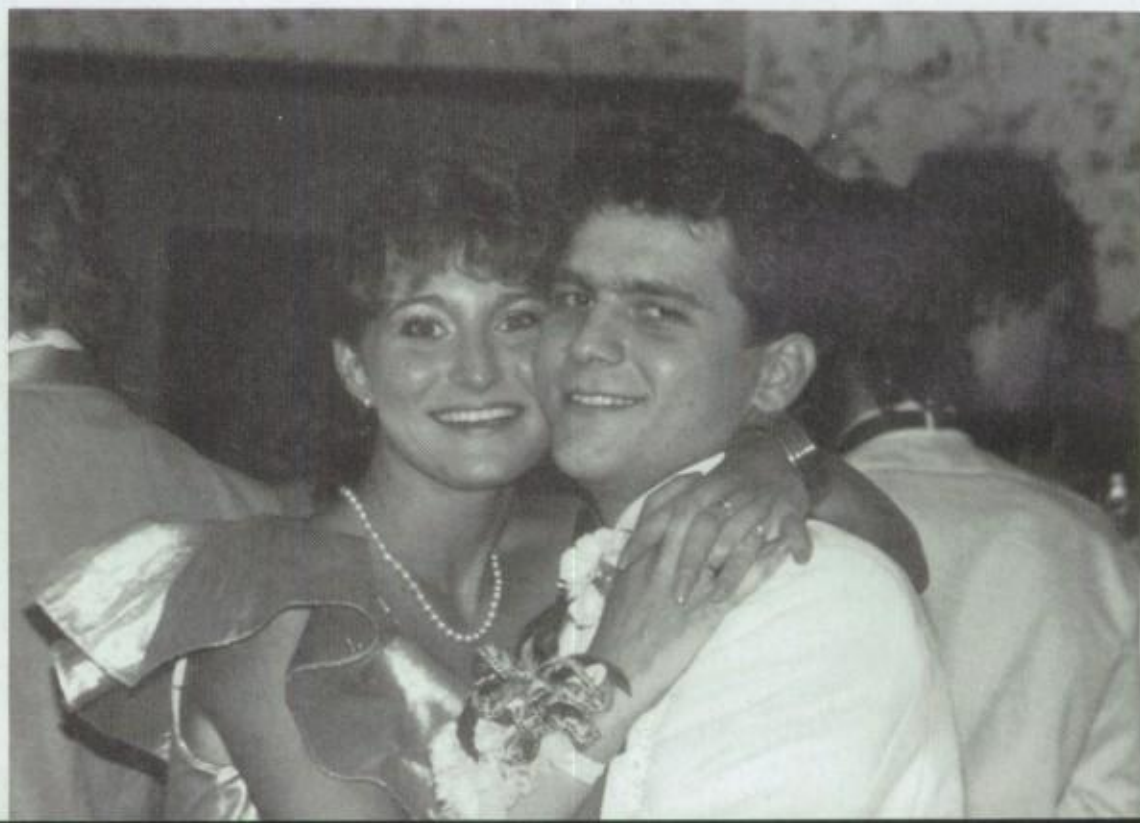

Pat & Keeley — aren't they adorable?!

Susan glides through the balloons.

Kena & Jamie "cuddle" during the dance.

Jeff ought to be a model.

Lance and Lorrie arrive at the prom.

Darcy takes a breather.

Everyone enjoying the dance.

Cristi & Randy looked great together at the prom.

Gentleman, David, opens the door for Michelle.

Rhonda & Bill having a wonderful time.

Graduation

Graduation was different this year for a truly different class. Kent Lashley was the speaker, talking on a theme of being ready to face the future. The commencement instead of being a solemn occasion was made humorous by bubble blowing, beachball throwing, and sayings on caps and gowns. This senior class was truly ready to leave.

Goodbye

I Wish

I wish
I could
Go forth
And conquer the world
For then I could
Try to reshape it
In my own way

The football team had a fantastic season in 1985-86. On the way to a 9-3 record, they beat such highly ranked teams as Wilburton, Vian, and Morris, the team that eventually won the 2A State Championship. By beating Vian and Morris, the Hornets captured the District 2A114 Championship, the first time a Hilldale football team has ever won an outright district title. Nine seniors made All-Conference, and Scott Gaddy was named All-State by a Tulsa Paper.

This year's Varsity Boys Basketball Team had a less than successful season. Though many of the games came down to the buzzer, the Hornets were never able to pull them out. They had only two seniors on the squad: Wilson, Coleman, and Patrick. Senior Coleman was the team's lead scorer, but never quite trying. Coleman was the team's lead scorer, but never quite trying. Girls' Basketball

An Uphill Struggle

The girls' basketball team struggled through an unsuccessful season this year. In spite of a winless season they still managed to keep their spirits raised and never gave up hope. These girls held up their heads and always played their hardest. They have every reason to be proud of the part they played for the team this year.

High School Track Running for Glory

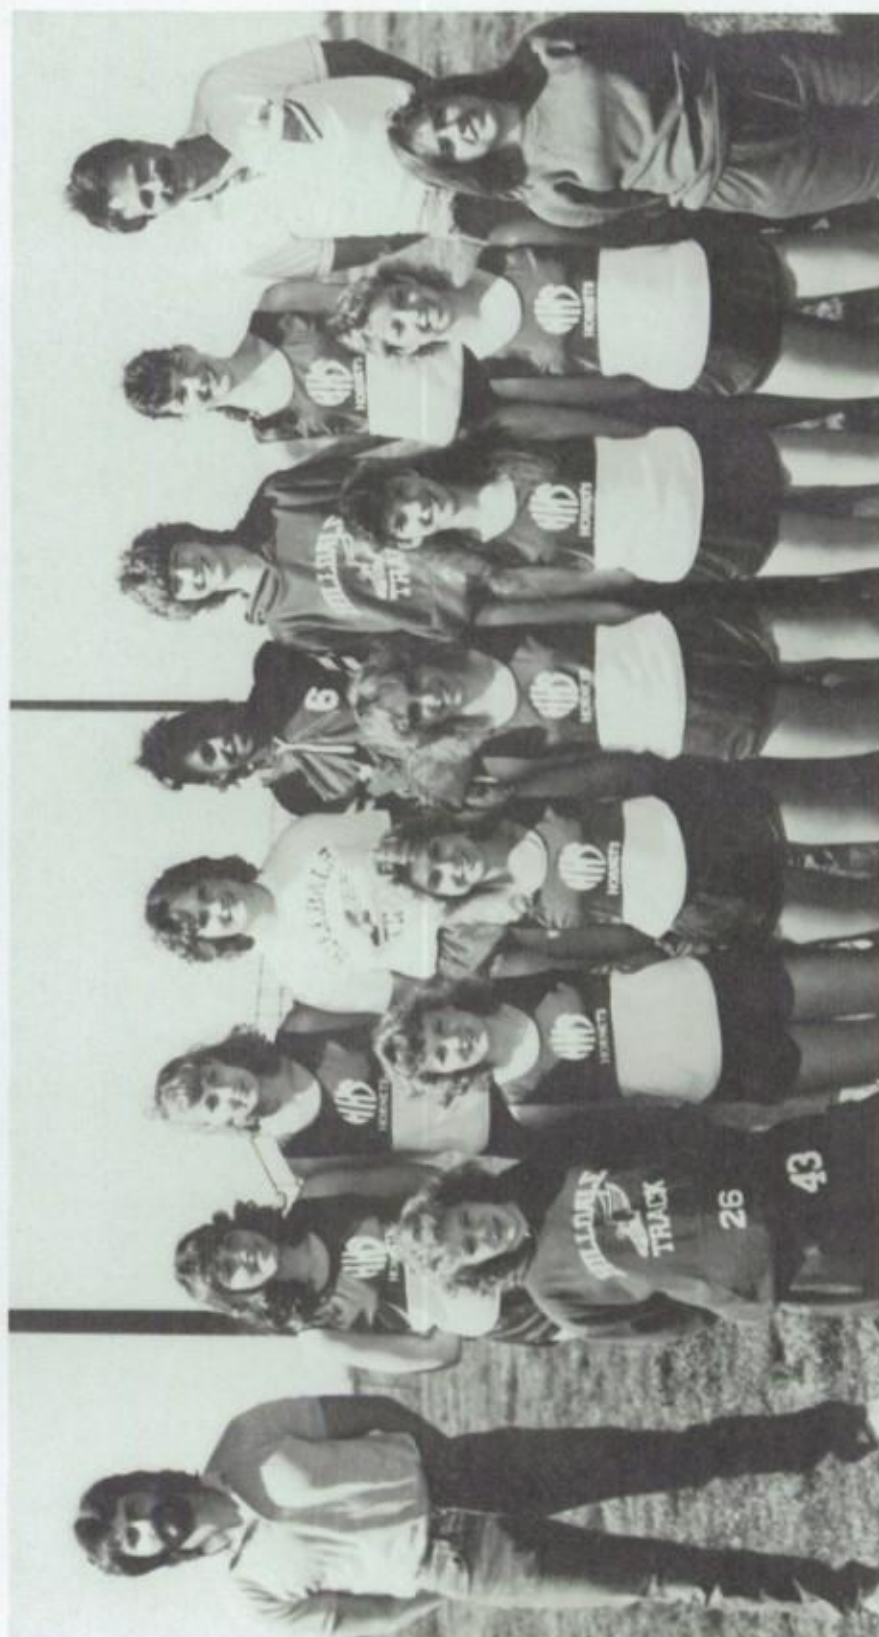

In our fifth spring of HHS Track, 43 thinclads helped set 10 school records. HHS was well represented at the 3A State Meet in Mustang, placing 12 state finalists. Sonya Floyd placed fifth in the discus with a throw of 107'4", John Buchanan placed sixth in the 800M Dash, with a time of 2:04, Sheila Rippy came in seventh in the 800M Dash with a time of 2:29. The girls 3200M Relay team of Jane Bassett, Ginger Scherman, Camille Rogers, and Sheila Rippy placed sixth with a time of 10:20. The Boys 3200M Relay team of Donnell Buchanan, Robbie Luttrull, Brent Webster, and John Buchanan with a time of 8:19. Robbie Luttrull participated in the 3200M Run. This brings HHS's total of state finalists to 74 in five seasons.

This year's girls fast pitch & slow pitch softball teams were Hilldale's winningest programs. Both teams advanced to the Regional playoffs, and came very close to advancing to State. Possibly the reason for the team's success was a group of seniors who had played since their freshman year. Softball, with probably the most loyal following among the parents, has been cut from next year's budget. This might likely be the last girl's softball team at Hilldale.

Baseball Last But Not Least

96

This year's squad was young and inexperienced. Their final record was 4 and 12, but they return all but two starters. The two seniors who played the entire season were Brent Coleman and Mark Capps. Coleman, a four year starter, was named MVP and best hitter. Among the underclassmen, Dustin Pumphrey received best defensive player, and Kevin Menie was voted most improved.

Yearbook

The entire yearbook staff

The yearbook staff began working, selling ads in the spring of last year. With the start of the school year came a year of hard work, selling more ads, selling yearbooks, taking pictures and doing pages. The result of the dedication of this year's staff will be seen next fall with the finished product - Paint the Town Red.

Below: Kevin Ezell and Patrick Wilson carry their own weight in yearbook, for once.

Student Council Moving Ahead

Student Council is one of Hilldale's finest organizations, with some of Hilldale's finest students. Throughout the year they did many things to promote that wild Hornet spirit. Such events included the Homecoming floats competition, the jack-o-lantern contest, the canned food drive, and All-School Queen.

The Student Council didn't stop there. Officers were sent to BASIC workshop, district workshop, and OASC Convention. The 1985-86 Student Council Retreat was held at Camp Takatoka, which proved to be a big success. What a great year. Student Council, training leaders for tomorrow.

Cheerleaders

Sizzling with Spirit

This year's cheerleaders proved more than once their dedication to the cause during the outstanding football season. Their attempts at raising spirits proved successful and extremely rewarding. It can safely be said that this year Hilldale experienced a new high in school spirit.

Drill Team

1985-86

The 1985-86 Hilldale High School Drill Team proved again that they can overcome any obstacle in front of them. The whole team pulled together and helped the marching band become first in state in their class. The team was active in promoting school spirit for football and band. The team also has the unfortunate honor of being the last drill team at Hilldale due to school finance problems.

NHS

This year the National Honor Society helped in many areas of school and the community. They gave free tutoring, volunteered with Special Olympics, helped with career day, and sponsored Student of the Month.

Teens for Christ

Teens for Christ meet each Tuesday morning before school and gave students of all denominations the opportunity to come together and share a common commitment. Individuals from various church youth groups as well as members of the organization were invited to speak.

The Nike Club is a service oriented club. Each month they do one service project for the community or school. Among their projects this year were visiting the hospital, providing Thanksgiving dinner for several families, skating for the Diabetes Foundation, and square dancing with the SWAP.

FHA

The Future Homemakers of America is a club in which students learn about their futures. They learn about homelife and how to set and achieve goals. This Years FHA attended state convention and subdistrict. While there they heard lectures dealing with family violence, self awareness, and makeovers. It was a very fulfilling year for these students.

Deutscher Klub German Club

This year students in German Club learned about German culture and language. Meetings were held every other Wednesday and all students were welcome. Highlights of the year included a Christmas party and a picnic at Honor Heights.

Crimson Challenge

This year's H.S. Band has been one of the best in Hilldale's history. They started the year performing at football games. In October, the band started its marching contest season. The band placed 1st in its class at the Catoosa Festival of Bands, and 10th overall. At the Oklahoma Bandmaster's Association Regional Contest, Hilldale won their class and placed 10th overall. This ranking gave the band an opportunity to compete in the O.B.A. State Finals. The band won their class, won 10th overall, and was named "State Champion". The band also received all superior ratings at the Regional Marching Contest in Tahlequah, the highest rating given.

After football season, the H.S. Band moved to concert season. The group performed two Christmas concerts. The band has many outstanding musicians. 17 members of the band were selected to the Eastern District Honor Band. Two of those, Kathy Metheny and Chip Reid were selected to the Oklahoma All-State Band.

The band continued its concert season by receiving superior ratings at the Checotah Band Days contest, and the Regional Band Contest at Tahlequah. The band will be competing at the State Band Contest in April.

Science Fair
Moving Up

HILDALE

THINK

SCIENCE

This year the Middle School was very proud of its entries in the fair. Many entries placed in the local fair and one placed, Best of Show, at the state level. This year they can proudly say, "We beat A.R."

Above: Chad Wilson displays his third place entry. Left: The proud winners from our school. Below: Jason Toux is already thinking of a project for next year.
